

Data Solutions Cover Letter

682 Jame PortsRoobview, TN 03379

Dear Stevie Berge,

I would like to submit my application for the data solutions opening. Please accept this letter and the attached resume.

Previously, I was responsible for quality assurance assessments by following data management and data quality standards as defined by Data Governance.

Please consider my qualifications and experience:

- Advanced knowledge of Bloomberg
- Exceedingly detail oriented, with an understanding of risk exposure under responsibility
- Streaming/Real-time analytics
- Experience of SOA applications particularly micro-services
- Demonstrable experience using SQL query language proficiently
- Very good writing and oral communications
- A good knowledge of testing methodologies or a programming language besides SQL is preferred
- Customer facing roles

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Lennon Haley
