**Dear Emerson Feest,**

In response to your job posting for data solutions, I am including this letter and my resume for your review.

In the previous role, I was responsible for quality control with regard to data capture (data conversion), the evaluation of data acquired from outside of the National Office (data standard) and geospatial database development.

Please consider my experience and qualifications for this position:

- SQL Server Analysis Services (SSAS,DAX)
- Data Visualisation Methodologies
- A positive, solutions oriented attitude
- Cloud – private/hybrid/public, big data, stream analytics experience (HDInsight, Cloudera, Hadoop, sparq)
- Thinks 'inside out' and 'outside in' to find digital solutions to industry problems
- Flexible, able to multi-task and manage workflow across different time zones
- Data Visualization experience (Tableau, Microstrategy, .) and Process mapping program experience(Visio, SmartDraw) is preferred
- Direct experience with external clients

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Quinn Stamm
