

# Data Steward Cover Letter

432 Delila OrchardLeschport, AZ 26141-0583

**Dear Spencer Simonis,**

I would like to submit my application for the data steward opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for leadership across a broad range of data analysis functions including data modeling, data profiling and exploration, data quality, metadata enrichment and data lineage.

Please consider my qualifications and experience:

- Experience with third party data feeds management and data integration is preferred
- Keen sense of urgency and focus on client delivery and happiness
- Demonstrable leadership in project management
- Attested ownership in developing, leading, and delivering on large scale strategic projects and initiatives
- Experience in Capital Markets/Securities
- Strong knowledge of financial products and how they are used by financial institutions
- Solid experience with data analysis
- Intermediate Microsoft Excel and report tools such as Tableau

**Thank you for taking your time to review my application.**

Sincerely,

Bellamy Ward
