**Dear Max Windler,**

I would like to submit my application for the data team lead opening. Please accept this letter and the attached resume.

Previously, I was responsible for internal direction and guidelines regarding regulatory agency requirements for products, processes, practices and procedures.

Please consider my experience and qualifications for this position:

- Automate the load of static data in TraderID & LimitEdge ("TILE") (Limits, Users) in order to have TILE showing possible breaks
- Very good technical knowledge about best software building practices, design patterns, software building methodologies
- Very good knowledge about agile software development processes and methodologies, SCRUM
- Fluent knowledge of spoken and written English language
- Strong results orientation approach with no people micromanagement attitude
- Good personal leadership and change leadership skills
- ACL Certified Data Analyst (ACDA), Certified Construction Auditor (CCA), and/or Associate Certified Fraud Examiner (ACFE) an asset
- Knowledge of current best practices in the field of data analytics

**Thank you for taking your time to review my application.**

Sincerely,

Royal Simonis
