

Data Team Lead Cover Letter

853 Durgan CampNew Elmoshire, MD 84293-1887

Dear Sutton Ratke,

In response to your job posting for data team lead, I am including this letter and my resume for your review.

In the previous role, I was responsible for a strong presence in regulatory and professional circles to influence content of regulatory guidelines and their interpretation in practice.

Please consider my qualifications and experience:

- Post-secondary education in accounting/finance
- Capacity to manage, review and perform work in line with professional engagement standards (IIA, GAAP)
- Detailed knowledge of SAP SRM, BW, CRM, Livelink
- Develop a capable team of professionals with superior technical expertise handling big data and problem solving
- Experience as Product Owner or in Product Management role or similar
- Previous background in software development roles (one of product management, software developer, business analyst, QA)
- Work with data owners & users across the enterprise, , enterprise control functions of EDM, Op
- Experience with all-source intelligence analysis, object based production, and activity based intelligence

Thank you for your time and consideration.

Sincerely,

Frankie Kuphal
