

# Defense Research Analyst Cover Letter

3686 Blanda GreenRatkeland, RI 36394

**Dear Baylor Oberbrunner,**

I submit this application to express my sincere interest in the defense research analyst position.

In the previous role, I was responsible for analysis of the training programs supporting the Anti-Submarine Warfare (ASW) readiness including the use of the Military Operation Plans (OPLAN) 2000 and 5000 Series and Headquarters (HQ) command functions support.

My experience is an excellent fit for the list of requirements in this job:

- Possession of excellent oral and written communication skills, including expertise in technical writing
- Experience with supporting general or flag officers or senior executive service members at DoD, Military Department headquarters staff, and interagency teams
- Experience with communications, marketing, change communications, public relations, or digital strategy
- Knowledge of strategic communications and policy writing for DoD or Headquarters Air Force organizations, functions, and staff processes, including organizations, roles, and missions
- Knowledge of Air Force missions and capabilities
- Experience with serving on an Air Force or Major Command Headquarters Staff
- Experience with preparing intelligence, policy, or academic reports
- Knowledge of the DoD and IC

**Thank you for your time and consideration.**

Sincerely,

Indigo Ratke
