

# Delivery Team Leader Cover Letter

19648 Nienow LakesNorth Hiramview, KS 50982-7365

**Dear Ryan Wilderman,**

Please consider me for the delivery team leader opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for internal and external audit support, as requested  
Perform activities in line with client's procedures and policies.

My experience is an excellent fit for the list of requirements in this job:

- Base or Reservoir management experience with GOO in gas and water injection management
- Awareness of GPO projects as they might impact the Azeri Area
- Understanding and familiarity with subsurface workflows, organisation and people practices
- High tolerance to ambiguity and uncertainty
- Build effective working relationships with other departments to enable the success of the team and the projects being delivered
- Motivates and inspires their team, peers and management to build a positive, highly performant and engaging environment
- A valid Drivers Qualification Card (CPC)
- Experience managing projects involving multiple disciplines across an organization, , financial, operations, technology, etc

**Thank you for considering me to become a member of your team.**

Sincerely,

Shae Hansen
