Dear Dallas Lubowitz,

Please consider me for the derivatives trader opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for best execution' across a range of Fixed Income credit instruments for all BlackRock's internal businesses.

My experience is an excellent fit for the list of requirements in this job:

- Extensive experience with liquid fixed income, foreign exchange, and equity index markets
- Strong understanding of derivatives environment including dealers and exchanges, products, end users and their motivations
- Knowledge of derivatives regulation, accounting, operations, and governance
- Thorough understanding of financial theory and derivative math
- Experience in "real money" investing, especially life insurance company investing
- Knowledge of option modeling and trading
- Understanding of horizon economic return analysis
- Experience in negotiating documents, including collateral terms

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Azariah Larson
