

Designer / Developer Cover Letter

126 Solange StreamWest Rolandoborough, SD 11190

Dear Gray Sauer,

I would like to submit my application for the designer / developer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for training, workshops, and education for continued faculty development/advancement, particularly on the integration of technology into teaching and learning.

My experience is an excellent fit for the list of requirements in this job:

- Propose prototypes for new editorial tools, production tools & audience experiences
- Help run demo days and establish feedback loops with newsrooms & audiences
- Cross train with other designers and developers
- Visual design abilities
- Experience working with video-based projects strongly preferred
- Enterprise scale software design, development and support experience
- Experience with caching systems (Memcached, Varnish, Akamai)
- Familiarity with Video Processing, Audio and Video codecs, and Transcoding Systems

Thank you for considering me to become a member of your team.

Sincerely,

Quinn O'Keefe
