

# Developer / Engineer Cover Letter

5310 Ledner BrookLake Leandro, ID 93725-9374

**Dear Zion Turner,**

Please consider me for the developer / engineer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for technical expertise, code reviews and ensuring consistency and conformity to agreed software engineering standards.

Please consider my qualifications and experience:

- Experience working with cross-functional teams to drive proof-of-concepts
- In-depth experience with relational databases
- Excellent system design and analytical skills
- BS in computer science or mathematics
- Xml, Xsd, Json
- Strong knowledge of best practices for dashboards, BI reporting and visualization
- Strong communication & presentation skills, particularly with clients, team leads and managers
- Subject matter expert of Business Intelligence applications

**Thank you for your time and consideration.**

Sincerely,

Emery Bogan
