

Developer Relations Cover Letter

90196 Larkin Valleys Celestina fort, NV 07278-8420

Dear Shae Lesch,

Please consider me for the developer relations opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for digital learning, learning technology and learning design support and services that are practical, innovative and enhance capability building.

Please consider my experience and qualifications for this position:

- Knowledge of mobile technologies (HP Anywhere / iOS / Android / Java / HTML5)
- Knowledge of web technologies (HTML/CSS/Java/ASP.Net/PHP/Ruby/C#)
- Knowledge of cloud computing technologies (SaaS / IaaS / PaaS)
- Experience building and engaging communities
- Have previously delivered high quality code samples and documentation that others use to successfully onboard and build
- Experience of some or all the following
- Java, JavaScript, SQL
- Collaborate with Business Development teams to identify and assist key partners with the technical architecture of our developer platform

I really appreciate you taking the time to review my application for the position of developer relations.

Sincerely,

Gray Ernser
