

Development Internship Cover Letter

16661 Jaqueline Station West Marcel, WY 36742-8351

Dear Reese Braun,

I would like to submit my application for the development internship opening. Please accept this letter and the attached resume.

Previously, I was responsible for important and value-adding knowledge transfer to developers and testers such as applying development guidelines and standards for design and development and highlighting "best practices".

My experience is an excellent fit for the list of requirements in this job:

- CS development and agile development understanding
- Knowledge of Java/JavaScript/HTML/CSS
- Excellent and proven skills in Power Point
- Proactive, autonomous, organized, multi-tasking
- Experience in mobile app development technologies
- Experience in software version control system
- Strategic, with a mix of long term vision and detail orientation
- Analytically minded, intellectually curious

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Phoenix Ebert
