

Development Internship Cover Letter

137 Aron Streets Gerholdmouth, RI 32122-3862

Dear Cameron Smith,

I am excited to be applying for the position of development internship. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for leadership and guidance to development teams on implementation design and development best practices, including application entrance and exit criteria.

My experience is an excellent fit for the list of requirements in this job:

- Should understand Communication Protocols (Http, Https, MQ, JMS)
- Currently enrolled college student studying Business, with a focus on Marketing or Sales
- Experience with coordinating large projects
- Strong written communication and research skills
- Fluent English in writing, speaking, reading
- Details and hands-on style
- Fluent in spoken and written English, preferably with good command in some other European language(s)
- No experience necessary as full training will be given

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Robin O'Reilly
