

# Development Internship Cover Letter

37151 Beahan RiverDeettaberg, AL 63396

**Dear Stevie Johns,**

I am excited to be applying for the position of development internship. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for training on coding standards and best practices to team members and produce quality, tested, and documented code; and.

Please consider my qualifications and experience:

- Interest and awareness of current affairs and social media
- Content Development and editorial experience preferred
- Creative intuition and understanding of style and fashion
- Knowledge in the usage and benefits of cosmetic ingredients
- Actively pursuing BS/MS/Phd in Computer Science or related technical discipline
- Knowledge of software engineering processes, troubleshooting and debugging skills, agile framework, tools, familiarity with object-oriented programming concepts, large-scale software architecture, networking and distributed systems, and UNIX/Linux environments
- Bachelors in Instructional Systems Technology or Learning Design and Technology
- Pursing a Master's in the Instructional Design program

**Thank you for taking your time to review my application.**

Sincerely,

Avery Bogan
