Development Support Cover Letter

459 Merrill VillagePort Lieselotte, AL 50994-3251

Dear Campbell Weissnat,

Please consider me for the development support opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for sAP platform and development standards for project teams in order to develop solutions that leverage SAP best practice and comply with WB architecture standards.

Please consider my qualifications and experience:

- Complete QA observations with new hires during integration
- Strong technical & problem solving (troubleshooting) skills
- Real-time and multi-threaded programming
- SQL, Oracle PL/SQL
- Scripting (Python, csh, bash)
- Knowledge of multi-core architectures
- Excellent communication (verbal and written) and strong interpersonal skills to build consensus
- Organized, thorough, attention-to-detail, and execution oriented

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Dakota Dach
