

Development VP Cover Letter

401 Schoen VistaSouth Hilton, NY 47504

Dear Reese Luetttgen,

Please consider me for the development VP opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for japan equities advisory service to institutional investors based in Japan and Asia, and cover a range of client types including Long Only Funds, Sovereign Wealth Funds, and Hedge Funds.

My experience is an excellent fit for the list of requirements in this job:

- Change leader with experience establishing, inspiring and leading high performance organizations
- Innovative approaches and systems thinking to learning
- Building high performing and strong global teams
- Incorporating diversity and inclusion as a strategic component of work
- Effectiveness Consulting/Talent Management in a large, complex global company of comparable or larger size
- Extensive experience working in a fast-paced, complex and matrixed organization
- Demonstrated success in a nonprofit, government, education or other fundraising environment
- Excellent relationship building and communication skills, written and verbal

Thank you for considering me to become a member of your team.

Sincerely,

Finley Cummerata
