

Digital Artist Cover Letter

67768 Roberts Mountains North Nathaniel, NM 50336-7004

Dear Finley Rempel,

In response to your job posting for digital artist, I am including this letter and my resume for your review.

In the previous role, I was responsible for leadership and direction to the design team focussed on digital design for manufacture and assembly (DfMA) of modular housing product.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of manufacturing processes to ensure that conceptual designs can be built efficiently
- Experience with 3D modeling and rendering (Autodesk Maya/3dsMax, Vray, Rhinoceros, Unity, Alias)
- Experience with animation, rigging, and kinematics
- Experience with post processing software (Adobe Photoshop, After Effects)
- Experience in and passion for VR Immersive experiences
- Real-time Engine Production Unity and/or Unreal
- Scene optimisation for VR training and visualisation experiences
- Visualisation/Flythrough Video production

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Sawyer Mosciski
