

Digital Artist Cover Letter

66819 Cara MissionKrajcikview, CO 57056-1323

Dear Briar Denesik,

I am excited to be applying for the position of digital artist. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for ideas and innovation to execute superior digital ads and assets for our clients, understanding best practices of design and UX.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Client facing with an understanding of building and managing relationships with key clients
- An interest in sport and nutrition would also be beneficial in this role
- Proficiency in Adobe Creative CC with expertise in Illustrator, Indesign, Photoshop
- Proficiency on Macintosh computers and digital design-related programs and content management systems including Adobe Creative Suite, Salesforce Marketing Cloud, Life Ray, Open Source, and Websphere
- Strong working knowledge of a 3D modeling software such as Maya, Blender, Zbrush, or similar
- Familiar with animation workflow
- Experience creating textures within Photoshop or similar software
- UX knowledge related to virtual interfaces

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

River Mante
