Dear River West,

Please consider me for the digital banking opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for daily service to the Commercial Banking department in the areas of loans, deposits and account servicing.

Please consider my experience and qualifications for this position:

- Highly competent functional knowledge on Private Banking
- Proficient test lifecycle knowledge and experience
- Agile development and test methodologies
- Testing application performance across different browsers
- Good working iOS and Android native apps testing practices
- Good working Java, JavaScript, HTML, CSS, SQL knowledge
- Working knowledge on BDD and/or TDD tools
- Experience in a professional role within the Financial Services or Technology sector preferred

Thank you for considering me to become a member of your team.

Sincerely,

Indigo Bartoletti
