

Digital Banking Cover Letter

7983 Simonis GlensNorth Rodrigo, CO 11507

Dear Story Koch,

I would like to submit my application for the digital banking opening. Please accept this letter and the attached resume.

Previously, I was responsible for services to meet the financial and operating performance targets of IT organization within the Nigeria End-user Computing Operations.

Please consider my experience and qualifications for this position:

- Experience (6 months minimum) with scrum or other Agile practices
- Have a technical knowledge and understanding of relational databases, web services, messaging, stubbing, Unix commands
- Expert level PC/Software skills, particularly spreadsheet/presentation tools
- Familiarity with the Corillian or Mobiliti SDKs, .Net, C# and Visual Studio
- Experience with software within the Financial Services Industry, especially Digital Banking
- Experience with multi-tenant cloud-based high transaction volume systems
- Executive presence with exceptional communication skills
- Excellent MS Office skills including Excel, PowerPoint and Visio

Thank you for considering me to become a member of your team.

Sincerely,

Rowan Herman
