

Digital Banking Cover Letter

43100 Blick WallEbonyburgh, AR 23696-9955

Dear Dakota Morar,

Please consider me for the digital banking opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for leadership and direction with joint technology and operations development teams to deploy new field operations focused products while evolving Republic Services' digital framework.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience working with external regulators and internal audit partners
- Proven leadership in Information Technology that executes on project delivery
- Strategic partner with Lines of Business to understand and solve digital business problems
- Stellar verbal, written and presentation communications
- Working knowledge of vendor relationship management
- Working knowledge of IT Audit processes
- Working knowledge of cost center / financial budget management
- Hands on full stack experience covering front ends, back end services, integration, databases and data modelling, operational models and infrastructure sizing

I really appreciate you taking the time to review my application for the position of digital banking.

Sincerely,

Reese Bednar
