Digital Developer Cover Letter

41222 Rodriguez SquareWest Chastity, LA 91995-9461

Dear Lennox Volkman,

I would like to submit my application for the digital developer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for hands-on expertise for system integration between Salesforce, SAP, partner portal, and many of Avigilon's business applications.

My experience is an excellent fit for the list of requirements in this job:

- Responsive web / app design & development
- Knowledge of server technologies – Windows IIS & Linux Apache / Nginx
- Be able to showcase an extensive portfolio of sites / applications
- ELearning platforms Moodle, SCORM development
- Mainframe Customer/1
- Video creation / editing and distribution on different mediums, online or apps
- Sound editing and distribution on different mediums, online or apps
- Integrating the full range of consulting capabilities, RGG is the one firm that helps clients solve their toughest problems, working by their side to help them achieve their missions

Thank you for taking your time to review my application.

Sincerely,

Denver Kutch
