

Digital Marketing, Associate Cover Letter

65092 Rene WallDurganberg, AK 03127

Dear Rowan Kulas,

I submit this application to express my sincere interest in the digital marketing, associate position.

Previously, I was responsible for training to Complaint Handling staff on patent anatomy and medical conditions, CSS products and procedure, and internal policies and procedures.

Please consider my experience and qualifications for this position:

- Manages day-to-day tasks of program execution and proactively monitors campaign progress to achieve creative deadlines and fulfill reporting needs
- Helps foster partnerships with Creative Agency, Marketing, Creative, Digital Activation and Site teams, often spearheading and facilitating information sharing between teams
- Monitors and advocates adherence to process
- Tracks programs to budget
- Strong skills in MS Office (specifically Excel, Word, PowerPoint)
- Strategic thinker with demonstrated decision-making skills and an entrepreneurial spirit
- The use of computer-based software (Word, EXCEL, Outlook, Powerpoint) and tools is necessary
- Extremely strong comfort level with change

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Reese Wisoky
