

# Digital Product Manager Cover Letter

9853 Effertz Gardens Maryrosetad, MN 99273-1954

**Dear Casey Langosh,**

I submit this application to express my sincere interest in the digital product manager position.

In the previous role, I was responsible for input to (further) develop implementation and automation strategies and processes which allow the team to successfully implement TMF offices and clients onto the platform.

My experience is an excellent fit for the list of requirements in this job:

- Design of innovative business models to support new commercial opportunities within Mobility
- Strategic design and architecting of new business models for mobility
- Strong Customer needs focus and acumen
- Experience with behavior driven development (BDD) is preferred
- BS or minor in computer science or other technical field preferred
- Stellar organizational, presentation, and communication skills
- Experience working with Adobe Analytics, Google Analytics, or other data analysis software
- Experience with JIRA or other issue tracking software

**Thank you for your time and consideration.**

Sincerely,

Jordan Shields
