

Digital Production Cover Letter

22386 Kimberly CentersHarberstad, KY 07826

Dear Sam Heidenreich,

I am excited to be applying for the position of digital production. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for subject matter expertise and technical consulting support on integrating or converting existing legacy applications into the Adobe platform.

My experience is an excellent fit for the list of requirements in this job:

- Multi-task and prioritize large workload amounts in consolidated timeframes in a calm and a methodical manner
- Work well independently and collaboratively across all levels of an organization
- Experience in live television or comparable experience in video board operation
- Experience working on learning solutions products for the K-12 market
- Composure under tight deadlines
- Comfort with basic web technologies (HTML, CSS)
- Broad knowledge of web video standards and codecs, file formats, frame rates, aspect ratios
- Experience of executing marketing plans, establishing processes and delivering content

Thank you for your time and consideration.

Sincerely,

Sutton Hessel
