

DIR Strategy Cover Letter

16558 McDermott CliffSouth Deedraberg, NM 11135-0292

Dear Zion Cronin,

I am excited to be applying for the position of DIR strategy. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for critical leadership and management in the development, execution and evaluation of the Group activities, financial and resources planning, expenditure strategy and budgeting process.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Prior experience with global application implementations
- Detailed knowledge of the State and Federally regulated healthcare plans, specifically managed care regulations
- Work experience in product management, operations, forecasting, marketing, and/or analysis
- Detailed knowledge of NY area healthcare market
- Proven track record of to lead multiple, concurrent, complex projects
- Experience with Medicaid and/or Medicare products
- Previous experience as a member of management committees
- Outcome-based management experience in a Six Sigma or Lean environment

Thank you for your time and consideration.

Sincerely,

Robin Dickinson
