

# DIR Strategy Cover Letter

507 Hermann CircleVirgilioside, MO 38345

**Dear Hayden Hermiston,**

I would like to submit my application for the DIR strategy opening. Please accept this letter and the attached resume.

Previously, I was responsible for business analysis specialized in the credit risk modeling, loss allowance calculation, and financial/accounting (FASB, IFRS) to facilitate product feature design and development.

Please consider my qualifications and experience:

- High EQ (emotional intelligence) and strategic team leader who has successfully built and mentored teams
- Demonstrates expertise in a variety of the fields, concepts, practices, and procedures related to the pharmaceutical industry
- Knowledge of applicable global regulatory and GxP requirements
- Demonstrates strong business acumen and project management skills
- Interacts with all levels of the organization in a professional and discrete manner
- A familiarity with AI (neural networks), the current opportunities and challenges in this space the competitive landscape around AI
- Professional demeanor, strong written and oral communication skills, and strong computer skills
- Computer literacy and experience with Microsoft office programs (Outlook, Word, PowerPoint and Excel)

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Tatum Green
