

Director Managed Care Cover Letter

5730 Kiley Gardens Bryantstad, MI 87082

Dear Sawyer Cole,

I submit this application to express my sincere interest in the director managed care position.

Previously, I was responsible for robust MSL interface with Health Care Professionals, Patient groups, Payers and Managed Care Organizations in specific region of US.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Managed Care Experience, Sales and Lab background preferred
- Pharmaceutical or biotechnology industry experience as a medical science liaison/director with a majority of the experience in the managed care and/or payer environment is highly preferred
- Excellent clinical, scientific and analytical skills
- Excellent written and verbal communication skills, motivated, and able to work in a team environment
- Experience in critical review analysis, interpretation of published medical literature/technical scientific literature, and presentation capabilities are necessary
- Relevant therapeutic area experience (Sleep, Hem/Onc, Pain, rare diseases) preferred
- Experience in successfully leading and managing teammates of varying experience levels and location
- Strong mission and values commitment

Thank you for taking your time to review my application.

Sincerely,
