

Director Planning Cover Letter

4823 Xavier Isle East Tericastad, RI 90302

Dear Corey Ernser,

I submit this application to express my sincere interest in the director planning position.

Previously, I was responsible for regional and global reporting on the effectiveness of social media campaigns to amplify earned media activities.

Please consider my qualifications and experience:

- Knowledge of financial accounting and inter-relationships of balance sheet accounts
- Should have strong comfort level in working with senior management
- Should be able to quickly build a strong expertise in the products and brand our digital platforms and environments
- A background in personal finance, trust management and/or law
- Competence in guiding prospects through estate bequests, charitable annuities and more
- Animal health and/or pharmaceutical experience
- Proven team management and motivational skills
- Critical thinking that drives change and advances the practice

I really appreciate you taking the time to review my application for the position of director planning.

Sincerely,

Briar Hoeger
