

Director, QA Cover Letter

612 Anton Meadows North Bernashire, TN 58362

Dear Charlie Beier,

I am excited to be applying for the position of director, QA. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for consultation on IT regulatory compliance to Biogen business functions related to CSV, 21 CFR 11 and global requirements.

Please consider my experience and qualifications for this position:

- Fluent in English both speaking & writing (additional European languages advantageous)
- Good knowledge of Trackwise
- A strong analytical mind-set to understand global, complex Compliance and Regulatory issues
- Able to cope with stressful situations and drive issue resolution and decisions
- Able to prioritize according to Compliance and Patient Safety risk
- Accountable for the Compliance of all activities within scope of his/her responsibilities
- Able to present complex projects and issues to senior management
- Experience in Brazil, Mexico & Colombia strongly preferred

Thank you for considering me to become a member of your team.

Sincerely,

Skyler Fisher
