

Director, QA Cover Letter

7433 Balistreri InletTrompsmouth, ID 23268

Dear Zion Dicki,

I would like to submit my application for the director, QA opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for advice and guidance on maintaining the validated state and ensuring compliance to FDA guidelines and regulatory requirements.

Please consider my qualifications and experience:

- Knowledgeable on security (such as NG firewall) technologies
- Knowledge in using security testing tools & traffic generators
- Possess strong Leadership skills and mentoring of groups of engineers and managers
- Experience of having worked as a member of a SCRUM team delivering high quality software in two week sprints
- Develop and propose remediation plans for global and / or cross-divisional implementation, where identified as a potential systemic gap, for the GMP committee
- Experience with test automation and SQL
- Experience working in Contract Manufacturing (CMO)
- FDA auditing experience mandatory

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Justice Ankunding
