

# Director, Regulatory Affairs Cover Letter

1020 Monahan RapidHodkiewiczland, MA 30822-4997

**Dear Finley Nader,**

Please consider me for the director, regulatory affairs opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for counsel, training, and interpretation of FDA and other regulatory requirements to Company personnel and assist as a liaison between the Company and regulatory authorities;

My experience is an excellent fit for the list of requirements in this job:

- Supervises regulatory staff with the planning, preparation and submission of all regulatory
- Review and provide input on commercialization activities associated with products
- Manage timelines and budgets with project management as appropriate and provide progress updates to senior
- Demonstrated experience related to the compilation, production and submission of regulatory dossiers in eCTD format, including original US and rest of world applications
- Proven experience as regulatory lead in project teams
- Comprehensive understanding of pharmaceutical business, including both commercial and R&D organizations
- Consistent demonstration of positive interaction skills
- Excellent oral and written communication skills with peers

**I really appreciate you taking the time to review my application for the position of director, regulatory affairs.**

Sincerely,

Sam Hagenes
