

# Director, Regulatory Affairs Cover Letter

478 Rath PikeLizziefurt, PA 44727

**Dear Ryan Bednar,**

I would like to submit my application for the director, regulatory affairs opening. Please accept this letter and the attached resume.

Previously, I was responsible for strategic guidance regarding global regulatory requirements to UCells management team for all CMC regulatory matters in support of UCells product development.

My experience is an excellent fit for the list of requirements in this job:

- RAC certification is preferred
- Experience in other relevant functions will be considered
- Solid understanding of dossier requirements New Drug Application (NDA), Marketing Authorization Application (MAA) and Clinical Trial Authorization (IND, IMPD, CTA)
- Leadership capabilities working across varied cultures, expertise and backgrounds
- Effective/appropriate delegation of authority and responsibilities
- High ethical standards for compliance to regulations and procedures is essential
- Initiative, combined with a high energy level is critical to success
- Regulatory experience preferred for therapeutic area of Oncology

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Baylor Pollich
