

Director, Testing Cover Letter

844 Kuphal Forest North Ouidashire, CT 84811-3464

Dear Haven Feeney,

I would like to submit my application for the director, testing opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for thought leadership for directing the development and delivery of data science methodologies, in applications ranging from algorithms / model development and validation, tools, etc.

Please consider my qualifications and experience:

- Experience as a Testing Line manager
- Experience leading large application projects with understanding of existing HR Systems such as MY In-Site, PeopleSoft, Kronos, Taleo, Oracle HCM Cloud, Operational experience supporting Oracle HCM Cloud in a live environment is preferred
- Significant, successful and proven Information Technology and Retail industry experience
- Demonstrates an advanced functional understanding of the HR and/or Retail processes, their supporting applications and their inter-relationships with other FOB suites of systems
- Develop and implement a next-level plan for university test preparation, for students grades 9-12 who are mostly second-language learners
- Administer exams, especially university entrance and mock exams, and plan test-taking off campus
- Build and maintain test prep resources for students and teachers
- Attend department chair and other meetings, as needed

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
