

Distribution Analyst Cover Letter

3165 Margert ParksThompsonfort, KS 88630-8299

Dear Justice Vandervort,

I am excited to be applying for the position of distribution analyst. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for reliable leadership to multidisciplinary project teams consisting of Physical Distribution, Finance, Supply Chain and Value Stream.

Please consider my qualifications and experience:

- Advanced PC Skills (MSOffice, Access, Visio, Project Manager)
- Use of census information for the inclusion of new records in the BAT customer base
- Geographic zone delimitation associated with a variable for the identification of potential customers
- Permanent update of the information contained in the Map Info application
- Strong written and verbal communication skills • Strong analytical skills
- Proficiency in Microsoft Word, Excel, PowerPoint and other system applications
- Experience with SQL, Network Optimization software or open source coding
- Strong knowledge of distribution / supply chain operations

I really appreciate you taking the time to review my application for the position of distribution analyst.

Sincerely,

Story Stark
