

Distribution Analyst Cover Letter

472 Paris ShoalsDustyland, WV 38212

Dear Briar Walker,

I submit this application to express my sincere interest in the distribution analyst position.

Previously, I was responsible for information, usage, recommendations regarding requests to add, delete or change items to Supply Chain Distribution and Supply Chain Central Supply inventory.

Please consider my qualifications and experience:

- Continuous Improvement facilitation skills in ACE, Mapping and Six Sigma (Desirable)
- Developed communication skills, influencing skills and self-starter capabilities
- Benchmark and manage case fill, on time, and perfect order performance
- Advanced user of excel, access and PowerPoint
- Bilingualism (English/French) advantageous
- Ensure timely arrival of POS, Ship & Credit, Inventory files from the disti
- Manage data release into SAP DRM system
- Manage transfer of DRM inventory if needed in accordance with IDT distributor contract and DRM procedures

Thank you for considering me to become a member of your team.

Sincerely,

Denver Douglas
