

Distribution Management Cover Letter

75367 Alline Trail Jonesville, AR 60157

Dear Emerson Towne,

I am excited to be applying for the position of distribution management. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for 24X7 applications support to the call center, distribution center, and related business units, Partner with business units to leverage IT resources to better understand customer operations and processes, development opportunities, business requirements, and potential improvements while providing strategic recommendations.

My experience is an excellent fit for the list of requirements in this job:

- Active team player and self-starter
- Brand Immersion – one-on-one training/consulting with each brand's revenue programs
- Analytical training
- Demonstrated skills in development of procedures, documented processes, instructions
- Knowledge of supply chain lean principles
- Demonstrated proficiency with MS Office Suite (PowerPoint, Excel, Word)
- Demonstrated skills assessment methodology
- Future thinking

Thank you for taking your time to review my application.

Sincerely,

Ryan Beer
