

Distribution Specialist Cover Letter

2030 Gena MewsPort Grady, SC 72584

Dear Briar Schoen,

Please consider me for the distribution specialist opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for site-wide user system application support on SAP modules involving Plant Maintenance, Materials Management and Projects Modules.

Please consider my experience and qualifications for this position:

- Project manage the operational lifecycle of multiple content deals and shows
- Work with QC, localization, and physical and post production teams to ensure timely, high-quality deliveries
- Drive innovation and scale within our workflows and tools
- Champion creation of the best customer viewing experience
- Love of kids content!
- Know how to manage competing priorities
- Have keen judgment and can make decisions without agonizing
- Are comfortable with change

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Blake Bode
