

Driver Manager Cover Letter

44757 Rosalyn Terrace Yukikoburgh, MS 85320-6678

Dear Alexis Weissnat,

I submit this application to express my sincere interest in the driver manager position.

Previously, I was responsible for department of Transportation (DOT) support to in-plant personnel; including (Hazardous Waste and Hazardous Materials) training information as requested.

Please consider my qualifications and experience:

- Experienced in managing technical processes
- Firm understanding of statistical analysis techniques
- Proficiency with SQL like technologies
- Excellent debugging skills using tools such as Charles proxy
- Effective communication skills to drive resolution to issues across teams
- Program Manager in Engineering or TPM experience at an established company with strong PgM/TPM roles
- PREFERRED - Prior Driver Management (DOT) experience
- Strong influencing skills, and self-starter who is able to prioritize and deliver on deadlines

Thank you for considering me to become a member of your team.

Sincerely,

Tyler Harber
