

Driver Operator Cover Letter

365 Kovacek LockNorth Selenashire, WI 88981-1348

Dear Emery Gleichner,

I would like to submit my application for the driver operator opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for consistent, predictable monitoring of assigned systems and job processes, to include systems in the data centers and at remote sites.

Please consider my experience and qualifications for this position:

- Forklift licence and /or excavator ticket would be favourable
- Experience in operating various equipment efficiently(excavator, backhoe, skid steer, roller)
- Proficiently operate large haul trucks in a quarry production environment
- Move materials to primary system as main activity and move stockpile materials as directed
- Minimum 6 months' work experience in a manufacturing company is highly desirable
- Prior forklift experience is preferred
- Able to read, write, and understand the English language, and able to follow verbal and written
- Able to sit periodically and for extended periods of time, climb ladders/stairs, reach below

Thank you for taking your time to review my application.

Sincerely,

Baylor Balistreri
