

Education Professor Cover Letter

917 Marica UnionsChristiansenchester, NE 11619-8358

Dear Lennox Legros,

I submit this application to express my sincere interest in the education professor position.

In the previous role, I was responsible for assistance with academic advisement to graduate students in the following programs: Special Education, Early Childhood Unified, and the Master of Arts in Teaching.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Commitment to the department's online learning efforts
- Research or professional experience working with communities that are historically marginalized or underrepresented in the field of environmental education, and/or experience in environmental education with a social justice component
- Experience preparing future educators
- Experience in delivering innovative, student-centered, place-based, experiential curricula in partnership with community partners
- Strong commitment to effective teaching and learning in undergraduate education
- Experience in curriculum design and evaluation for formal or non-formal educational settings
- Experience in leadership and teaching in field and backcountry settings, or willingness to acquire such abilities
- Evidence of a commitment to equity and social justice

I really appreciate you taking the time to review my application for the position of education professor.

Sincerely,
