Dear Morgan Hodkiewicz,

I am excited to be applying for the position of education. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for oral and written descriptive feedback on a student teacher's execution of professional responsibilities (e.g., lesson planning, lesson implementation, instructional and assessment practices, classroom interactions, maintenance of records);.

My experience is an excellent fit for the list of requirements in this job:

- Experience with issues and technical challenges related to the life cycle of research and data
- Successful track record of collaboration around scholarly issues
- Extensive and tangible experience in creating and delivering highly successful and innovative educational efforts
- An in depth understanding of graduate and post graduate education challenges and opportunities
- Proven leadership in developing new educational paradigms and pedagogical technologies
- Passion for the importance of inclusion in all aspects of recruiting, training and supporting a diverse education community
- S/he will be a strong communicator (both verbal and written), organizational leader and team player capable of setting priorities, developing clear goals, and implementing goals
- Demonstrated experience developing and executing leadership development programs for varied experience levels

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
