

EEG Technician Cover Letter

9759 Marvin Estates Spinkaberg, NY 06159

Dear Campbell Huel,

Please consider me for the EEG technician opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for basic assistance to technology users including providing correct log-on and password procedures, equipment, and application operating procedures.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Credentialed in electroencephalography (R
- EEG experience on Nihon Kohden software
- ABRET registration
- Registry in at least one discipline (EEG, EMG) corresponding with the clinical area of work for the institution
- Computer knowledge, typing, and excellent communication skills
- Graduate from an accredited school in cardiovascular technology is preferred
- Current CPR certification or obtained within 90 days of date of hire
- Completion of a Commission on Accreditation of Allied Health Education Programs (CAAHEP) accredited Electroneurodiagnostic (END) program

Thank you for considering me to become a member of your team.

Sincerely,

Sawyer Treutel
