

EHS Engineer Cover Letter

471 Monahan SummitBerniershire, MO 14053-1561

Dear Stevie Doyle,

I would like to submit my application for the EHS engineer opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for technical guidance on licensing of air pollution control equipment, industrial effluent, schedule waste management & sewage.

Please consider my experience and qualifications for this position:

- B.S Environmental Science, Safety Engineering or Chemistry
- Fluent in both oral and written English languages
- Knowledge of Chinese EHS related laws and regulations
- Experience on developing & delivering training programs
- Proven knowledge of EH&S regulations, standards and procedures
- Proven EH&S skills in an industrial and lab setting
- Familiarity with industrial hygiene fundamentals including air sampling and HEPA systems
- EH&S project management skills

I really appreciate you taking the time to review my application for the position of EHS engineer.

Sincerely,

Dakota Friesen
