

# Electrical Engineering Intern Cover Letter

57534 Christiansen Village Lakendrastad, OR 12090-0493

**Dear Justice Kuhic,**

I am excited to be applying for the position of electrical engineering intern. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for technical support to customers and to SIG Field Service in the office and in the field.

Please consider my experience and qualifications for this position:

- DC and AC power (Single and 3 phase) systems and power load calculations
- Electrical subassemblies and cable design
- PCB design and embedded coding
- Debugging of electrical assemblies
- Test and engineering analysis reports
- ISR payloads including EO/IR systems and EW/SIGINT
- Operation of multimeters and oscilloscopes
- Enthusiasm and passion for medical device technology

**Thank you for taking your time to review my application.**

Sincerely,

Emerson Frami
