

Electrical Cover Letter

71815 Hamill PortHermistonburgh, PA 93533

Dear Campbell Farrell,

I would like to submit my application for the electrical opening. Please accept this letter and the attached resume.

Previously, I was responsible for technical oversight to ensure the electrical system is compliant and verifiable at the avionics digital and analog.

Please consider my qualifications and experience:

- Will be exposed to electrical currents and potential electric shock
- HBO/TU education level Electrical or equivalent
- Bachelor, major in Electrical Engineering or equivalent
- Experience with high voltage to low voltage power distribution systems
- Computer literate with special focus on Excel
- Experience in process and process controls area
- Current in regulations, Ontario electrical code, and other requirements related to Electrical Engineering
- Possesses an understanding of requirements for installation of equipment in Hazardous locations

Thank you for your time and consideration.

Sincerely,

Drew Wolf
