

Electrician Cover Letter

6085 Kshlerin IsleEast Dannyport, ND 81407-4306

Dear Royal Emard,

I am excited to be applying for the position of electrician. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for a level of communication that allows for the effective transfer of knowledge and understanding, in and outside of the electrical field.

Please consider my qualifications and experience:

- Bend and install conduit, install breakers, wiring conjunction boxes
- Able to interpret technical drawings
- Valid Journeyman Electrician License (or higher) or proof of training/competency or certificate of completion from Electrical Apprenticeship program
- Recognize unacceptable variations from the standard and take appropriate emergency action
- Use considerable judgment in adjusting, dismantling, assembling, equipment pertaining to job
- Maintain a Journeyman card in compliance with state and local laws
- Strong understanding of electric control systems and devices and fundamental electronic principles
- PLC programming experience is an asset

I really appreciate you taking the time to review my application for the position of electrician.

Sincerely,

Stevie Raynor
