Dear Spencer Littel,

I would like to submit my application for the electronic assembler opening. Please accept this letter and the attached resume.

Previously, I was responsible for support to ensure the process/product is designed, procured and manufactured in accordance with customer and Company quality requirements.

My experience is an excellent fit for the list of requirements in this job:

- Experience with operation of nuclear instrumentation preferred
- Experience in assembly of radiation detectors preferred
- Winding experience preferred
- Use digital multi-meter
- Read diagrams / schematics
- Familiarity with drill press, hand press and coil winders
- Understands bearing fits and functions
- Minimum 6 months electronics manufacturing or other related experience

Thank you for your time and consideration.

Sincerely,

Reese Grimes
