

# Electronic Assembler Cover Letter

6736 Marvin Creek South Rorymouth, PA 10685-2342

**Dear Campbell Raynor,**

I submit this application to express my sincere interest in the electronic assembler position.

In my previous role, I was responsible for cost-effective equipment inspection, maintenance, calibration, and repair service on a variety of medical devices.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Perform basic math functions such as addition, subtraction, fractions, multiplication, and division
- Verifiable Job History with References
- Pass a basic soldering test
- Be able to perform light physical activity performing non-strenuous daily activities of a productive/technical nature
- SMT Soldering led-free solder on circuit boards and connecting tiny parts
- Electronic assembly
- Soldering and assembly experience of small components using a microscope
- Experience using a microscope to assemble small parts

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Spencer Roberts
