

Electronic Assembler Cover Letter

9225 Cartwright Corners Colefort, WV 18429

Dear Tyler Schuppe,

I submit this application to express my sincere interest in the electronic assembler position.

In my previous role, I was responsible for support to Control Engineer on troubleshooting PLC and control devices for process and manufacturing equipment.

My experience is an excellent fit for the list of requirements in this job:

- Experience with wire branding, material kitting, electrical panel build-up, electrical panel wiring, box/console build-up, box/console cross-wiring, visual inspections, and re-work
- Proven experience using Microsoft Office programs (Word, Excel,) is preferred
- Forklift & Overhead Crane Experience
- Familiar with workmanship criteria and able to recognize quality defects
- Surface Mount
- J-STD Certified
- QC Inspectors(PC Board Inspection)
- Micro Assembly

Thank you for taking your time to review my application.

Sincerely,

Lennox Rau
